I am assuming you will find your own ride to your lodging Wednesday afternoon. Hopefully you find a place.

So far the Newhalen Tribal Council will be picking up one person on Thursday morning at the airport, they arrive @ 9am. Be prepared to be at the Iliamna airport (by the Iliamna Air Taxi Service) So, Thursday morning you could get a ride with this group. It will be appropriate to give them some gas money for the ride. There will be a ride back to the airport as well.

We hadn't planned on them arranging rides for the Wednesday evening meeting and I won't be available. So, hopefully you can get a ride from the place you are staying. There may actually be a taxi service, according to the website I sent you earlier. I haven't called to check it out.

Let me know if you have any problems.

Thx - T

You know I am not sure, I believe we may have taken all the beds at the Roadhouse Inn.

Good Morning!

You are receiving this message as a confirmation that I received your registration for the Mining Information session in Newhalen. The agenda is attached.

If you are need of a ride from the airport in Iliamna to the Newhalen Teen Center (on Thursday) please let me know today. I will need to know when you will arrive in Iliamna and what airline you are coming in on.

For those of you who may not be familiar with the area, please know that there are no restaurants in Newhalen. So, it would be good for you to bring food with you. EPA will not be providing any food at the meeting.

If you have any questions please let me know today. I will be traveling tomorrow and may not receive your message by email.

I look forward to meeting you all soon.

Sincerely,
Tami
